Dear Friend of the Women's Symphony League (WSL),

We are excited to announce our fundraiser:

**Fall FRESH & Friends
Tuesday, October 25, 2022 from 5-7pm**

Our 9th annual Fall FRESH & Friends social/mixer will be held on the beautiful patio at FRESH by Brookshire's with live music, wine and heavy hors d'oeuvres. As a valued member of our community, we would ask you to consider a sponsorship of this favorite event.

The Women's Symphony League (WSL) supports community music education through a healthy scholarship program. Scholarships benefit musicians from beginning music students to university majors and include vocal and instrument lessons, music camps and acquisition of instruments just to name a few. WSL also supports the East Texas Symphony Orchestra, Tyler Youth Orchestra and Junior Symphony League.

Our Purpose is to promote cultural arts in Tyler by supporting the growth of the East Texas Symphony Orchestra and encouraging music education within our community. The arts are extremely important and WSL has been instrumental in keeping the music alive in Tyler for over 60 years! We cannot do it without community support both financially and with our presence at concerts and events.

Sponsorship Opportunities:

\$500 4 event tickets
 Event Signage
 Acknowledgement on the WSL Website and in WSL NOTES newsletter

\$250 2 event tickets
